CONSENT AGENDA

January 21, 2020

The Consent Agenda is a means of expediting routine and miscellaneous matters that must be acted upon by the City Council. The entire agenda must be adopted in one motion. Items requiring debate or clarification may be removed from the Consent Agenda at the request of any member of the Council. Items removed from the Consent Agenda become the first items of business on the regular agenda. The motion to approve the Consent Agenda is non-debatable and must receive unanimous approval.

1. Consideration of the Minutes (January 6, 2019 meeting).
2. Consideration of transfers of appropriations to the following budgets within the Ada Public Works Authority Fund for longevity pay: Water Plant and Sanitation.
3. Written reports from departments.
